2

Arrival at the Clinic

Arrive at the clinic at your scheduled time. Please check in at the reception desk and complete any necessary paperwork.

3

Diagnosis and Examination

X-rays and other tests may be conducted as needed to confirm the diagnosis. If you are experiencing pain, we will provide emergency treatment to address and alleviate the cause.

4

Treatment Explanation

We will thoroughly explain the treatment plan based on the examination and test results. Please feel free to ask any questions or express any concerns you may have.

5

Payment

After the treatment is completed, you will proceed to billing. Please check with the reception for payment options. If you would like to schedule your next appointment, you can do so at this time.
